Using Agency  MAA Maryland Aviation Administration			Contractor Name, City State	Contract Identifier & Project Title  MAA-MC-21-034 Plane-Mate Mobile Lounge Refurbishment at BWI Thurgood Marshall Airport.	
Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option)  MAA advertised an expression of interest for refurbishment of Plane-Mate and only received one response. After further research, MAA determined the Plane-Mate refurbishment was a sole source and began negotiations with the Contractor. The cost proposal submitted by the contractor to refurbish the two antiquated Plane-Mate exceeded the funding MDOT MAA has available. Therefore, MDOT MAA has determined in accordance with COMAR 21.06.02.02.C, that rejecting the offer and canceling the procurement is fiscally advantageous or otherwise in the State’s best interest. MDOT MAA is in the process of reviewing other alternatives to the Plane-Mate which may prove to be cost beneficial.
